

BOARD POLICY HANDBOOK

Saskatchewan Rivers Public School Division

This Board Policy Handbook has been developed to highlight and support the very important governance function of the Board. In addition to clearly defining the role of the Board, the role of the Director of Education and the delegation of authority from the Board to the Director of Education, it includes the following as policies:

1. Foundational statements which provide guidance and direction for all activities within the Division;
2. Directions for how the Board itself is to function and how individual trustees are to conduct themselves; how Board committees and representatives are to function;
3. Statements as to how appeals and hearings will be conducted;
4. Non-delegable matters such as policy-making and school closures; and
5. Specific matters which the Board has chosen not to delegate to the Director of Education.

This Board Policy Handbook is intended to be supplemented by an Administrative Procedures Manual; the primary written document by which the Director of Education directs staff. The Administrative Procedures Manual must be entirely consistent with this Board Policy Handbook.

The development of two separate and distinct documents is meant to reinforce the distinction in this Division between the Board's responsibility to govern and the Director of Education's executive or administrative duties.

It is to be noted that the electronic versions of both the Board Policy Handbook and the Administrative Procedures Manual as well as any other handbooks/manuals referenced are always the most current documents available.

Policy 3

ROLE OF THE TRUSTEE

Trustees are elected in accordance with the [Local Government Election Act](#). As democratically elected officials, trustees represent the public voice in Prekindergarten to grade 12 educational governance.

The role of the trustee is to contribute to the Board as it carries out its role in order to achieve its mission, vision, beliefs and commitments. The Board believes that its ability to fulfill its obligations is enhanced when leadership and guidance are forthcoming from within its membership.

The Board is a corporation. The decisions of the Board in a properly constituted meeting are those of the corporation. A trustee who is given corporate authority to act on behalf of the Board may carry out duties individually but only as an agent of the Board. In such cases, the actions of the trustee are those of the Board, which is then responsible for them. A trustee acting individually has only the authority and status of any other citizen of the Division.

As a result of elections, the Board may experience changes in membership. To ensure continuity and facilitate smooth transition from one Board to the next following an election, trustees must be adequately briefed concerning existing Board policy and practice, statutory requirements, initiatives and long-range plans. The Board believes an orientation program is necessary for effective trusteeship. The Board Chair will write a letter to accompany the nomination package which outlines the dates and times for orientation sessions, organizational meetings and subsequent meetings in the first month.

1. The Board Chair, Vice-Chair in consultation with the Director will ensure the development and implementation of the Division's orientation program for newly elected trustees. This session will provide information on:
 - 1.1 Role of the trustee, the Board and the Director;
 - 1.2 Delegation of authority to the Director and related accountability mechanisms including CEO evaluation process criteria and timelines;
 - 1.3 Organizational structures and procedures of the Division, and governance tools used by the Board;
 - 1.4 The Board Policy Handbook, agendas and minutes;
 - 1.5 Existing Division initiatives, annual reports, budgets, financial statements and long-range plans;
 - 1.6 Division programs and services;
 - 1.7 Board's function as an appeal body; and
 - 1.8 Statutory and regulatory requirements, including responsibilities with regard to conflict of interest.
 - 1.9 The legacy document and board annual work plan.

New trustees are required to attend the Board developed orientation session(s).

2. The Division will provide financial support for trustees to attend Saskatchewan School Boards Association sponsored orientation seminars.

3. Incumbent trustees are encouraged to help newly elected trustees become informed about the history, functions, policies, procedures and issues.

Specific Responsibilities of Individual Trustees

The trustee shall:

1. Become familiar with Division policies and procedures, meeting agendas, and reports in order to participate in Board business.
2. Refer governance queries, issues and problems not covered by Board policy to the Board for corporate discussion and decision.
3. Refer administrative matters to the Director. The trustee, upon receiving a complaint from a parent or community member about school operations, will refer the parent or community member back to the school and will inform the Director of this action if administrative action is desired.
4. Keep the Board and the Director informed in a timely manner of all matters coming to his/her attention that might affect the Division.
5. Provide the Director with counsel and advice, giving the benefit of the trustee's judgment, experience and familiarity with the community.
6. Attend meetings of the Board; participate in, and contribute to, the decisions of the Board in order to provide the best solutions possible for the education of children within the Division.
7. Respectfully bring forward and advocate for local issues and concerns.
8. Accurately communicate the decisions of the Board and refrain from making any statements that may give the impression that such a statement reflects the majority decision of the Board when it does not.
9. When delegated responsibility, exercise such authority within the defined limits in a responsible and effective way.
10. Participate in Board/trustee development sessions so that the quality of leadership and service in the Division can be enhanced.
11. Share the materials and ideas gained from a trustee development activity with fellow trustees at the next available opportunity.
12. Strive to develop a positive learning and working culture both within the Board and the Division.
13. Participate in board / trustee / director evaluations.
14. Attend School Community Council meetings as requested and/or when possible.
15. Attend significant Division or school functions when possible.

16. Become familiar with, and adhere to, the Trustee Code of Conduct.
17. Report any violation of the Trustee Code of Conduct to the Board Chair or to the whole board during a closed session following the prescribed process for adding items to the agenda.

Specifically, trustees shall:

1. Be motivated by an earnest desire to serve their school division to the best of their ability to meet the educational needs of all students.

5. Carry out their duties objectively, and consider all information and opinions presented to the board in making their decisions, without bias.
6. Work with other board members in a spirit of respect, openness, co-operation and proper decorum, in spite of differences of opinion that arise during debate.
7. Accept that authority rests with the board and that they have no individual authority outside the board, and will abide by the majority decisions of the board once they are made, but they shall be free to repeat the opinion that they upheld when the decision was made.
8. Express any contrary opinion respectfully and honestly, and without making disparaging remarks, in or outside board meetings, about other board members or their opinions.

14. Consequences for the failure of individual trustees to adhere to the Trustee Code of Conduct are specified in Policy 4, Appendix A.
15. This policy and the sanctions contained in Appendix A do not deal with matters of trustee disqualification, forfeiture of office due to conflict of interest, or the ouster of a trustee as these are addressed in *The Education Act, 1995*.

Reference: SSBA Code of Ethics

Revised: November 26, 2018; June 5, 2023

TRUSTEE CODE OF CONDUCT SANCTIONS

1. The Trustee Code of Conduct requires that the Board commit itself and its members to ethical and appropriate conduct. Failure of a trustee to conduct themselves in compliance with this policy may result in the Board instituting sanctions.
2. In particular, the Trustee Code of Conduct requires that trustees shall respect the confidentiality appropriate to issues of a sensitive nature.
3. Failure to comply with this requirement constitutes a failure of security. An individual trustee may bring a suspected breach of security to the attention of the Board, at a closed meeting of the Board. If by majority vote the Board agrees that a failure has occurred, the failure shall be recorded by the Board and the following procedure shall be invoked:
 - 3.1 The Board Chair shall request that the Director for the Saskatchewan Rivers Public School Board of Education (as head of the Saskatchewan Rivers Public Board of Education under [The Local Authority Freedom of Information and Protection of Privacy Act](#), appoint an independent investigator to review this matter. This request may occur only after such a motion has been discussed and agreed to by a majority of trustees present at a closed meeting of the Board. This decision shall immediately be approved in a public meeting of the Board.
 - 3.2 The independent investigator shall conduct an investigation and submit a report of findings and recommendations to the Board Chair and to the Director.
 - 3.3 The Board Chair shall present at a closed meeting of the Board, the report of the independent investigator. At this time, the trustee in question shall have an opportunity to present any additional, relevant information.
 - 3.4 If it is determined by a majority vote of the Board that a willful violation of security has occurred, for a first occurrence, a motion to write a letter of censure marked "Personal and Confidential" is required to be discussed and agreed upon by a majority of trustees present at a closed meeting of the Board. This decision requires immediate approval by a majority vote of trustees at a public meeting of the Board.
 - 3.5 For subsequent occurrences, a motion of censure against the trustee in question may be brought directly to a public meeting of the Board. This motion shall be approved by a majority vote of trustees present at such a meeting.
 - 3.6 The Board may additionally remove the offending trustee from some or all of the positions to which the Board may have appointed the trustee.

4. For a violation of all other sections of the Code of Conduct corrective measures may include:
- An aggrieved trustee going to the offending trustee to seek resolution if the matter is between those trustees;
 - The Board Chair and Vice-Chair meeting with the offending trustee to seek resolution,
 - Having the matter discussed in an in-camera session of the board to seek resolution;
 - The Board authorizing the Board Chair to send a letter of clarification or direction to the trustee.

 - 1.3 Display firmness, courtesy, tact, and impartiality;
 - 1.4 Ensure that each trustee has a full and fair opportunity to be heard and understood by the other members of the Board;
 - 1.5 Ensure that debate is relevant. The Deputy Chair, in keeping with their responsibility to ensure that debate must be relevant to the question, shall, when they are of the opinion that the discussion is not relevant to the question, remind members that they must speak to the issue;
 - 1.6 Decide questions of order and procedure, subject to an appeal to the rest of the Board. The Deputy Chair may speak to points of order in preference to other members;

Policy 8

BOARD OPERATIONS

The Board shall hold meetings at least six times per year as per *The Education Act, 1995* and as often as is necessary. A quorum, which is a simple majority of the number of trustees, must be present for every duly constituted meeting.

No act, proceeding or policy of the Board shall be deemed valid unless adopted at a duly constituted meeting. All requests to have reports prepared, or information gathered, by administration shall be approved by Board resolution.

The Board has adopted policies so that the business of the Board can be conducted in an orderly and efficient manner. Respectful behavior preserves the inherent dignity of everyone; therefore it is important that Board meetings be conducted in an environment that is productive, orderly and respectful of trustees, staff and members of the public. The organization of the Board meeting will effectively enable trustees and others in attendance to participate in an atmosphere of mutual respect.

In all matters of procedure not covered in the Board Policy handbook, Robert's Rules of Order shall apply. However, notwithstanding the foregoing, the will of the majority of Board members present shall prevail.

The Board believes that its fundamental obligation is to preserve and enhance the public trust in education, generally, and in the affairs of its operations in particular. Consistent with its objective to encourage the general public to contribute to the educational process, Board meetings will be open to the public. Towards this end, the Board believes its affairs must be conducted in public to the greatest extent possible.

The Board believes there are times when public interest is best served by private discussion of specific issues in closed sessions. The Board believes it is necessary to protect individual privacy and the Board's own position in negotiating either collective agreements or contracts and therefore expects to go into closed session for issues dealing with individual students, individual employees, land, labour, litigation or negotiation.

The Board further believes public interest can be enhanced by having members of the public make presentations at Board meetings.

9. Motions

Motions do not require a seconder.

9.1 Notice of Motion

The notice of motion serves the purpose of officially putting an item on the agenda of the next or future regular meeting and gives notice to all trustees of the item to be discussed. A notice of motion is not debatable and may not be voted on.

9.2 Discussion on Motions

Normally, the custom of addressing comments to the Board Chair is to be followed by all persons in attendance.

Once a motion is before the Board and until it is passed or defeated, all speakers shall confine their remarks to the motion or to the information pertinent to the motion. Motions may be submitted by any trustee, including the Board Chair.

9.3 Speaking to the Motion

The Board Chair will endeavor that all trustees have an opportunity to speak to the motion.

A trustee may speak to a motion twice, unless replying to a question, in which case the member may speak a third time. The mover of a motion may speak a third time and thereby close the debate on the question. This limitation shall not apply in committee meetings. The Board may, by majority vote, approve extended discussion of any subject.

The Board Chair will normally speak just prior to the last speaker who will be the mover of the motion.

As a general guide, a trustee should not speak longer than five minutes on any motion. The Board Chair has the responsibility to limit the discussion by a trustee when such a discussion is repetitive or digresses from the topic at hand, or where discussion takes place prior to the acceptance of a motion. No one shall interrupt a speaker, unless it is to ask for important clarification of the speaker's remarks, and any such interruption shall not be permitted without permission of the Board Chair.

Normally, administration will not participate in the debate, but upon request or where otherwise appropriate, may provide information.

Amendments to the motion may be proposed at any time during discussion. No more than two amendments may be made before the meeting at one time. Discussion and voting on motions and amendments takes place in reverse order of their proposal.

Motions or amendments may be withdrawn only with the unanimous consent of the trustees present.

A “point of order” may be raised by a trustee at any time. The “point of order” must be stated definitively and conclusively. The chair shall decide without debate if the “point” has merit.

Should a trustee arrive at the meeting after a motion has been made and prior to taking a vote, the trustee may request further discussion prior to the vote. The Board Chair shall rule on further discussion.

9.4 Challenging the Board Chair

Any trustee may challenge the ruling of the Board Chair. The member states the reason(s) for the appeal, and the Board Chair states the reason(s) for the ruling. There is no debate. The Board Chair then asks, “May I have a motion to sustain the Board Chair?” A simple majority decides the issue.

9.5 Reconsideration Motion

A rejected motion shall not be re-introduced during the same meeting unless a majority of the trustees present approve a motion “That the question be reconsidered”. Said motion is not debatable and calls for an immediate vote.

9.6 Reading of the Motion

A trustee may require the motion under discussion to be read at any time during the debate, except when a trustee is speaking.

9.7 Entitled Votes

All trustees, including the Board Chair, are entitled to vote on all motions, except in the case of a conflict of interest, as defined by *The Education Act, 1995*.

While all trustees are encouraged to vote on all motions, except in the case of conflict of interest, a trustee has the right to abstain from voting. An abstention shall not be considered a vote for or against.

9.8 Recorded Vote

Whenever a recorded vote is requested by a trustee before the vote is taken, the minutes shall record the names of the trustees who voted for or against the matter, or abstained. Immediately after a vote is taken and on the request of a trustee, the minutes shall record the name of all trustees and whether each trustee voted for or against the matter or abstained.

9.9 Required Votes

Each question shall be decided by a majority of the votes of those trustees present. A simple majority of a quorum of the Board will decide in favour of the question. In the case of an equality of votes, the question is defeated. The result of the vote is announced by the Board Chair.

A vote on a question shall be taken by open vote, expressed by show of hands, except the vote to elect the Board Chair or Vice-Chair, which is by secret ballot.

While all trustees are encouraged to vote on all questions and motions, except in the case of a conflict of interest, a member has the right to abstain from voting. An abstention shall not be considered a vote.

9.10 Tabling motion

A motion to table a motion shall not be subject to debate, but the question may be debated when the motion is lifted from the table.

10. Delegations to Board Meetings

The Board may make provision for delegations to make a presentation at a Board meeting in the interest of improving the education provided in Division schools. Individuals or organizations may make requests for audiences with the Board.

- 10.1 Delegations wishing to appear before the Board are required to give notice, in writing, to the Board Chair at least seven full days before the meeting at which they are to be heard. The Director or Board Chair has the authority to waive the time requirement.
- 10.2 Individuals or organizations who appear at a Board meeting without making prior arrangements and who wish to act as a delegation will not be allowed to do so, unless the reason for the delegation is deemed by the Board Chair, in consultation with the Director, to be either an emergency or in the best interests of the Board to be heard.
- 10.3 When scheduling an appointment, delegations should:
 - 10.3.1 State the nature of the subject that they intend to bring before the Board,
 - 10.3.2 Provide a written submission prior to the presentation,
 - 10.3.3 Identify the spokesperson for the group,
 - 10.3.4 Provide an estimate of the number of people who will be in attendance,
 - 10.3.5 Be prepared to speak to, as opposed to reading, the submission.
- 10.4 Matters deemed to be of a sensitive and/or confidential nature shall be heard at a closed session of the Board.
- 10.5 The Board reserves the right to invite delegations to appear before the Board.
- 10.6 At the time of presentation, the delegation shall confine its discussion to the purpose stated in the notice.
- 10.7 Normally delegations will be given a maximum of 15 minutes to make their presentation. Additional time determined at the discretion of the Chair will be provided for the Board to ask questions and/or seek clarification.
- 10.8 In discussing matters with a delegation, the Board Chair shall act as spokesperson for the Board. It must be remembered that delegations come to express problems, make suggestions and requests, and give information thereon. For this reason, individual trustees may seek only clarification of items presented by the delegation. At no time during the presentation shall any trustee voice her/his opinion thereon; nor shall they, by any statement, commit the Board to any specific course of action.
- 10.9 Except in an emergency, the Board shall refer any action relative to the delegation's presentation until the next regular Board meeting. Such tabling shall be used to give individual trustees sufficient time to consider the information supplied by the delegation. If the time between the delegation's presentation and the next Board meeting is deemed insufficient for the trustees to gain the necessary information to make an informed decision, the Board may respond by delaying the decision until another specified, appropriate time.
- 10.10 Upon completion of the presentation, the Board Chair shall inform the delegation when the decision will be made. When a decision is reached, it will be communicated in writing to the spokesperson.

11. Audio/Video Recording Devices

Anyone wanting to use recording devices at any meeting of the Board shall seek permission of the Board Chair.

12. Trustee Conflict of Interest

The Board is of the firm conviction that its ability to discharge its obligations is dependent upon the confidence of the residents of the Division placed in its Board and in its trustees. The trustee:

- 12.1 Is expected to be conversant with Section 11 of the School Division Administration Regulations with the conflict of interest provisions of Policy 4 – Trustee Code of Conduct.
- 12.2 Is responsible for declaring themselves to be in possible conflict of interest.
- 12.3 Shall make such declaration in open meeting prior to Board or committee discussion of the subject matter which may place the trustee in conflict of interest.

- 1.3 Recognize that the Director is the Chief Executive Officer for the Division. The Director is held accountable for work performed primarily by other senior administrators.
- 1.4 Emphasize the need for, and requires the use of, evidence for evaluation purposes.
Evaluations are most helpful when the evaluator provides concrete evidence of strengths and/or weaknesses. The Performance Assessment Guide identifies the source of the evidence in advance, while the quality indicators describe expectations in regard to that evidence.
- 1.5 Align with the Director's Roles, Responsibilities and the Quality Indicators outlined in policy.
- 1.6 Support the work towards the achievement of the Division's goals.
This appendix directly links the Director's performance to the Strategic Planning and Reporting Section of Policy 13, which includes the Division's Strategic Plan and related goals.
- 1.7 Set out standards of performance.
The Quality Indicators in the Performance Assessment Guide set out initial standards. When growth goals are identified, additional standards will be set to provide clarity of expectations and a means of assessing performance.
- 1.8 Outline a performance-based assessment system that focuses on improvement over time.
After the initial evaluation, all subsequent evaluations take into consideration the previous evaluation, and assess of the Director's level of success in addressing identified growth areas.
- 1.9 Use multiple data sources.
Objective data such as financial audits, performance audits, Ministry of Education monitoring reports, and student achievement data are augmented with subjective data to create a comprehensive and informed picture of performance.

This evidence summary will be provided to the Board at least five (5) business days prior to the performance conversation or review.
- 4.4 Perspectives of those who work most closely with the Director will be collected during the summative evaluation phase, specifically to assess the extent to which the Director has met Role Expectations in section 11 (Leadership Practices). Members of the Administrative Council and one third of principals will be surveyed or interviewed by an external facilitator in the following cycle:

In order to ensure quality education for its students, the Board may, from time to time, have to review the operation of one (1) or more of its schools and consider discontinuing one (1) or more grades offered in a school or closing schools.
