# PRINCE ALBERT COLLEGIATE

Our Performing Arts programs excel in providing students with **confidence, strength, and character.**

Students in **Dance, Drama, Music, & Visual Arts** create and they explore their imaginations on the all stages, developing a sense of belonging and community.

We embrace culture and learn about each other through **sharing** and **talking**. Our students have **cultural opportunities** with weekly smudges and sharing circles with our in-house Elder.

Prince Albert Collegiate is an active participant in Follow Their Voices, with the goal of integrating First Nation, Inuit, and Metis culture into our classrooms.

# TEAM

PACI Bears athletics compete at a high level and develop **skills** and **character** through various sports, such as basketball, volleyball, badminton, and much more. Our programs continue to be successful every year, focusing on **inclusion** and **teamwork**.

# ACADEMICS

Students at Prince Albert Collegiate benefit and engage in specialized areas of instruction and curriculum.

Students in grade 9, 10, 11 & 12 have an array of choices in many subject areas that will help develop successful careers beyond the classroom and ignite personal lifelong passions.

# PRIDE

Prince Albert Collegiate has an illustrious history and continues to create lifelong memories for past, present, and future students.

We strive to provide a **safe, effective learning** environment for all students and graduation is our collective goal.

Our goal is to prepare all of our students for the next stage of their life. Success is measured by the **expectations** the students place upon themselves.

PA Collegiate strives to support the students to reach every goal and expectation they set.
