2023-2024 Assessment Calendar

Kindergarten

Phonological Awareness Continuum
Data entered by:
January 24, 2024
April 17, 2024
*Once students have mastered the skills in the phonological awareness portion they will move on to phonemic awareness skills.

EYE-TA
October 16, 2023 to November 24, 2023
April 15, 2024 to May 16, 2024

Phonological Awareness Continuum (PAC)

Grade 1-3

Data entered by:
October 4, 2023
January 24, 2024
April 17, 2024

These dates are in advance of the school wide PLC days with the intention of using this data to engage in professional dialogue and plan for responsive instruction.

Phonics Placement Screener

Grade 3-8
Data entered by:
October 4, 2023

*Students in Grade 4-8 who have 7 or more errors in questions 1-28 on the UFLI Phonics Placement Screener will complete the Phonological Awareness Continuum (PAC)

Why do grade 4-8 teachers need to use the Phonological Awareness Continuum (PAC)?
"Research confirms that a lack of strong phonemic awareness is a contributing factor to the majority of reading difficulties." (Blachman)

Reading Assessment
Reporting and assessing on grade level benchmarks will be done using the SRPSD Benchmark Scope and Sequence for grade 1-3 students.

Grade 1-8
Teachers in grades 1-8 will listen to students read at least once per month using a running record in a reading conference format. Use previous years data to determine a starting point.

Grade 1 & 2
Decodable Assessment
Test 1: Nov-Dec, 2023
Test 2: By June 6, 2024

Grade 3-8 DRA - By June 6, 2024
Students in grades 3-8 that are DRA 18 and below will be assessed using the decodable assessments at the same frequency as grade 1 & 2 students.

Math Common Assessment - Grades K-8 Ongoing throughout the year.
In advance of the school wide PLC day, data entered by:
October 4, 2023
January 24, 2024
April 17, 2024
All Math data entry to be completed by June 19, 2024

eIIP: October 31   IIP Data Base Entry: November 13, March 30, June 15
