Neru Franc - Subdivision 2

Hello, my name is Neru Franc and I am running for a seat on the Saskatchewan Rivers 119 Public School Division board of trustees. I have served and advocated for our community's youth for a total of 20 years working in and out of Saskatchewan Rivers Public School Division. In this time, I have worked as an educational assistant, a community consultant as well as served as a leader in the local 4-H program and sat on many committees advocating for local youth. I believe a school board must be receptive to parents, students, staff, and the community with open, honest and encouraging dialogue. Our schools are a diverse community and every person coming forward should have the opportunity to be heard. I believe one child is no more important than another. With my background and knowledge, I will work with fellow trustees to provide leadership for our school division.
