SCHOOL COMMUNITY COUNCILS

During the 2024-2025 school year, SRPSD had a total of 31 active School Community Councils (SCC), included in the total: one combined SCC. Financing for SRPSD SCC is provided through governance funding providing SRPSD SCC’s with a total of \$55, 9800 to support SCC directed school-based initiatives and SCC annual gathering costs.

School Community Councils provide yearly executive summaries of the collaborative work completed with schools each year. Executive summaries include: short descriptions of school and community activities that each SCC supported, identification of SCC actions that align with division or school goals, and provide an overview of future plans.

SCC Gatherings

SCC’s were invited to gather at multiple points this school year. The first gathering was held in October 2024 to provide an Orientation for SCC’s. An additional Regional Gathering was held giving parents strategies to support literacy at home, and to collect feedback on changes to AP 159 – Equity, Diversity and Inclusion. Scc’s were invited to attend a Community Engagement Gathering including, School Principals, SCC Members and the SRSC on February 3rd 2025.

STUDENT VOICE

Our Board continues to commit to directly involve students in the governance of the school division; to provide for a mechanism where students could share their perspectives and opinions on education with their locally elected trustees; to maximize student voice and the opportunities available for young people to engage in division-wide leadership and capacity building. The Saskatchewan Rivers Students for Change (SRSC) regularly met to discuss challenges and opportunities in education, to take part in leadership and learning opportunities, to plan actions and events and to advocate for student learning and wellbeing. The SRSC provided advice and student perspective directly to the school board through its elected student representatives, with a focus on bettering student experiences in schools and improving results for the division. Saskatchewan Rivers Students for Change was provided \$5000.00 through Board approved governance funds.

SRSC Highlights

- Participated in sessions to learn more about indigenous perspectives, and inclusive environments in their schools. As well as their role as a student leader in this work.
- The SRSC joined School Leaders and SCC members in our February gathering. They shone as leaders at their tables, and their perspective was a valuable addition to the day.
- The SRSC continued to offer advice to improve division career guidance practices.
- Students Board Representatives were exemplary, not only attending and participating in Board meetings but also in their reporting back to the SRSC executive and full group.

Challenges

- Ensuring that the voices of students from underrepresented backgrounds are heard, considered, and valued

Future Considerations

- Development of student leadership enhancement opportunities within the division that support the SRSC
- Look for ways to increase board participation in full group meetings
- Explore possible connections to the Students Commission of Canada

SRPSD Parent Survey

Beginning in the 24/25 School year SRPSD shifted from administering a parent engagement survey through OurSCHOOL to administering the survey internally. While the survey maintained the same themes there were changes to the survey to remove redundant questions and proprietary information. 717 surveys were completed which is an increase from 22/23 where 377 surveys were completed.

The survey includes eight separate measures, which were scored on a five-point scale. The scores for the Likert-format questions (i.e., strongly agree to strongly disagree) have been converted to a 5-point scale, then averaged and reported by theme. A score of 1 indicates strong disagreement; 5 indicates strong agreement; 3 is a neutral position (neither agree nor disagree).

* 2023/24 School year the parent survey was not administered due to a change in OurSCHOOL Survey administration by the province.

** 2024/25 survey results are presented in a 10 point scale to align with previous years. The 10 point results was calculated by doubling the 5 point results reported.

Theme	2021/22	2022/23	2023/24	2024/25
Parents Feel Welcome	7.5	7.9	n/a	8.4
Parents Are Informed	6.8	7.2	n/a	7.9
Parents Support Learning at Home	6.8	7.2	n/a	9.3
School Supports Learning	7.3	7.6	n/a	8.3
School Supports Positive Behaviour	7.0	7.4	n/a	8.5
Safe School	7.2	7.5	n/a	8.1
Inclusive School	6.7	7.2	n/a	8.0

OurSCHOOL Survey

STUDENT PERCEPTUAL DATA

The OurSCHOOL Student Survey Allows students to share their feedback anonymously on their experiences at school, school environment, and school improvement programs.

Participation in the survey is voluntary and survey measures include such topics as behaviours and attitudes linked to student success, emotional and social well-being and physical health. Based on how students respond to the questions in the survey; SRPSD can make changes to improve their experiences at school and engage their participation in school activities.

TARGET INTERVENTIONS TO
ENHANCE STUDENT SUCCESS

STUDENT SURVEY HIGHLIGHTS: ELEMENTARY

ELEMENTARY (GRADE 4-6): A TOTAL OF 1247 GRADE 4-6 STUDENTS PARTICIPATED

In the gathering of this data elementary students are asked to rate generic statements about their beliefs on the value of school. Things such as “doing well in school is important for when I grow up”.

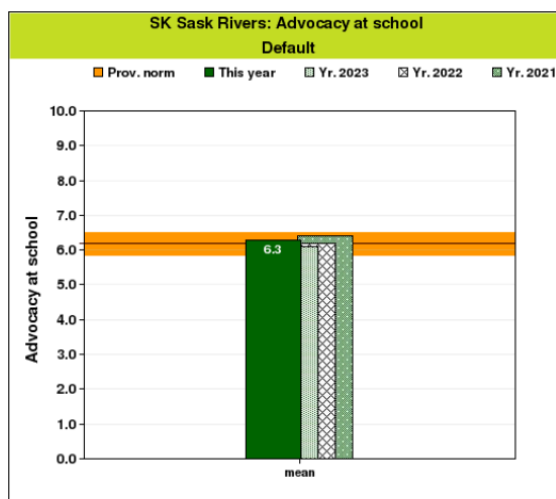

Measures of social engagement at school are indicators of mental health and well being. Feeling connected to school, and people in it elicits positive affiliation, and engagement. Students with a positive sense of belonging at school tend to have an overall positive experience at school.

STUDENT SURVEY HIGHLIGHTS: ELEMENTARY

A positive learning environment is one that is inclusive of students regardless of differences. In this indicator students are asked a series of questions about the environment in which they learn and the responses of staff in those environments to maintain a calm sense of order and peaceful interactions.

Elementary students are asked about how their teachers engage with them at school through responding to statements such as “My teachers ask me about how well I am doing at school” to measure the student perception of their teachers as advocates for their learning.

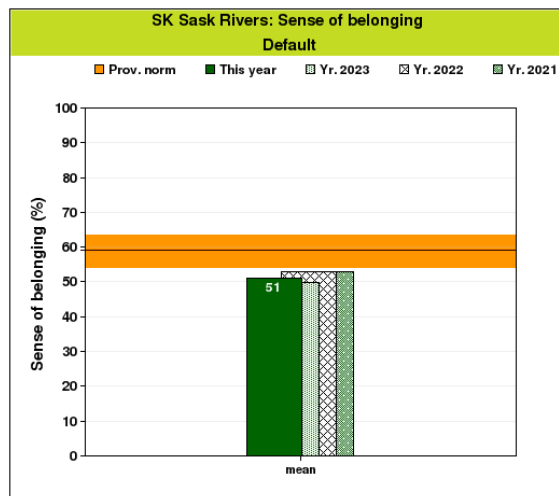

STUDENT SURVEY HIGHLIGHTS: SECONDARY

SECONDARY (GRADE 7-12): A TOTAL OF 1441 GRADE 7-12 STUDENTS PARTICIPATED

The Secondary Survey asks to what degree students agree with given statements. Statements include things such as, “I’m learning the skills I will need for success later in life”.

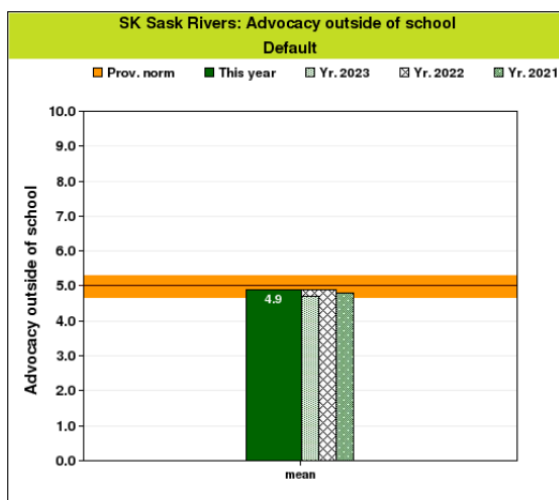

Measures of social engagement at school are indicators of mental health and well being. Feeling connected to school, and people in it elicits positive affiliation, and engagement. Students with a positive sense of belonging at school tend to have an overall positive experience at school.

STUDENT SURVEY HIGHLIGHTS: SECONDARY

A positive learning environment is one that is inclusive of students regardless of differences. In this indicator students are asked a series of questions about the environment in which they learn and the responses of staff in those environments to maintain a calm sense of order and peaceful interactions.

The advocacy outside of school measure gives us insight into the students perspective of the engagement (or advocacy) level of their parents or family members in their school lives. Secondary students are asked about how often a parent or family member does things such as asking them about how they are doing in school, or encouraging them to do well, showing interest in their projects etc.

PARTNERSHIP AND COMMUNITY SUPPORTS

Saskatchewan Rivers Public School Division (SRPSD) is deeply integrated with community entities through both formal and informal partnerships. Connections extend across sectors, from large provincial bodies like the Ministries of Health, Social Services, and Justice to local community-based organizations (CBOs).

SRPSD boasts numerous formal partnerships and memorandums of understanding with local stakeholders, including:

KidsFirst and the Prince Albert Early Years Family Resource Centre:

SRPSD serves as the accountable partner.

Prince Albert Early Childhood Council and the Community Network Coalition:

SRPSD is an active member.

Facility Use Agreements: Established with many childcare and before-and-after school program providers.

Invitational Shared Services Initiative Agreements: In place with Muskoday First Nation, James Smith Cree Nation, Montreal Lake Cree Nation and Wahpeton Dakota Nation.

Training Partnership with Red Cross Saskatchewan: To provide first aid and CPR training, and AED training.

Childcare Agreements: Numerous existing agreements support the community's childcare needs.

SRPSD values cooperative relationships that bring allies together to enhance student achievement.

Communications

This is the 3rd year of implementing a robust communications plan. SRPSD has continued to refine and enhance our comprehensive communications plan to align both internal and external communications with the division's strategic plan. Below are the methods and modes of communication used to convey the division's story:

Learning and Innovation

Internal Communications:

- Leadership Learning Communities share research-based best practices and ensure consistency in messaging for professional development of school-based staff.
- Ebsy is used to communicate learning progress through grade books and learning stories.

External Communications:

- Best practices are highlighted in external communications by sharing school stories on the splash page and social media platforms.

Mental Health and Wellbeing

Internal Communications:

- Employee and department newsletters include best practices and information from the intensive supports team.
- Schools disseminate information through newsletters and directed emails.

External Communications:

- Best practices are highlighted in external communications by sharing school stories on the splash page and social media platforms.

Inclusion and Cultural Responsiveness

Internal Communications:

- Employee newsletters include best practices and information from the intensive supports team and the Indigenous perspectives team.
- Consultation with our Elders Council provides guidance in our operations.

External Communications:

- Best practices are highlighted in external communications by sharing school stories on the splash page and social media platforms.

Citizenship and Relationships

Internal Communications:

- School Community Councils (SCC) are the main point of contact with school communities to provide information and gather feedback.
- The Student Representative School Council (SRSC) serves as the primary group for student voice within the division.
- The OurSCHOOL Survey is administered annually to collect feedback from students, staff, and parents.

External Communications:

- Participation in community events such as Kidzfest enables direct communication with community members.
- Employee appreciation days and other stakeholder achievements are acknowledged on our social media platforms.

Governance and Leadership

Internal Communications:

- Full group, employee group, and targeted small group emails are primarily used for communication.
- Meetings with Principals and Vice Principals are conducted to develop consistency of practice.

External Communications:

- Board Highlights are shared with external stakeholders and on social media platforms following every board meeting.
- Media releases are developed when appropriate to inform local media of significant events.

COMMUNICATIONS HIGHLIGHTS

SRPSD Social Media continues to be a growing source of communication with the community. The SRPSD Facebook page has grown to 2791 followers and the Instagram page has grown to 410 followers this year. We have incorporated the use of short form video in our social media use this year which has enhanced this work.

saskriverspsd

saskriverspsd

saskriverspsd

saskriverspsd

The division ran social media campaigns about building healthy back to school routines, to highlight SRPSD programming, to welcome new kindergarten registrations when they opened in January, as well as our annual registration campaign. SRPSD's registration campaign reached approximately 50 thousand people.

CREATING AN EVENING ROUTINE

SET A BEDTIME & WAKE UP TIME

Choose a bed time for school nights that will allow your child to get enough sleep. Choose a wake up time that gives your child enough time to get ready without having to rush

Children ages 3-5 need anywhere from 10-13 hours of sleep each night.

Children 6-13 need 9-11 hours of sleep per night.

Young kids might need a parent to wake them up, while older kids can start to set their own alarm.

Relationships with local media reporters and organizations help to ensure that positive reporting outweighs coverage with criticism. While there have been challenges from politically-driven stories, google alerts notifications indicate a strong positive representation of SRPSD in the PA Herald (print and online), paNOW, and the Shellbrook Chronicle. Although there have been occasions of inaccurate or critical news coverage, there has been continued reliability in coverage in the Daily Herald for education and for SRPSD specifically.

ADMINISTRATIVE IMPLICATIONS

- Continue efforts to develop parent understanding and engagement within our system, ensuring their voices are heard and valued.
- Strengthen student representation and voice at the board level.
- Support the school-based administration of the OurSCHOOL survey, utilizing feedback from the new format to drive improvements.
- Continue developing partnerships and community supports to enhance family engagement across all schools.
- Innovate and find unique, eye-catching ways to share the SRPSD story with the broader community.
- Increase the sharing of school-based stories through division channels to highlight successes and initiatives in all of our facilities.

Governance Implications

- Continue to promote policies that facilitate parent understanding and engagement within our system, ensuring their voices are acknowledged and valued in decision-making processes.
- Continued endorsement of SRSC initiatives to strengthen student representation and voice at the board level, ensuring their perspectives are integrated into governance in ways that are meaningful to the students.
- Advocate for the development and maintenance of partnerships and community supports that enhance family engagement across for all of our schools, and students at all grade levels.
- Encourage the creation of innovative and impactful strategies to communicate the SRPSD story to the wider community, enhancing transparency and engagement.
- Support the increased sharing of school-based stories through division channels, highlighting achievements and initiatives to foster a sense of community and shared purpose.
